**Smithtown East Wrestling Club**  
**Kid Wrestling Program**

The Smithtown Kid Wrestling Program is about to begin. The program is designed to teach kids the sport of wrestling. Goal setting, commitment, and discipline are important attributes that will be taught and discussed throughout the program. Agility drills and games are highlighted to help kids improve in every sport.

Our main goal is for the children to have a fun and rewarding experience. There are numerous opportunities to compete in tournaments and other competitions for wrestlers who would like to do so.

This is a great opportunity for Middle School students interested in wrestling to prepare for the Middle School wrestling season.

The coaching staff will be comprised of the Smithtown HS East wrestling coaching staff as well as current and former Smithtown East Wrestlers.
