Mr. Liguori reported that the District’s attorney’s Lamb & Barnosky delivered a presentation to the Board about the Affordable Health Care Act. There was a synopsis of what calculations had to be done by the Human Resources and Business departments to make sure the District is in compliance with the law. Mr. Tobin added that one item of particular concern is the potential large penalties the district could be liable for if health care is not offered to 95% of FTE’s.

**VI. COMMITTEE REPORTS-**

Instructional Services: Mr. Alcure reported that an Instructional Services Committee meeting was held on January 9<sup>th</sup>. Topics discussed included a review of instructional priorities, NYS High School Diploma requirements and SUNY college entrance requirements. Mr. Alcure noted that college and universities are looking for much more than the minimum requirements for graduation. It was also noted that currently 67% of our students are in a more rigorous academic program.

Facilities: Mr. Liguori reported that a meeting was held December 17<sup>th</sup>, 2013. Items discussed included an update on the Energy Performance contract, capital reserve, High School East science labs, district properties and use of buildings by outside organizations.

Housing: A Housing Committee meeting immediately followed the Instructional Services Committee meeting. Mrs. Knox reported that for this budget cycle housing would remain the same with no redistricting for 2014-2015. Over the next 12 months the Board will have a study done to address when we could possibly consolidate and/or redistrict. Options such as bringing 6<sup>th</sup> grade back to elementary buildings and consolidating down to fewer middle schools, are things that would be looked at not for the immediate future but somewhere down the road. The Housing committee plans on interviewing consultants to help with demographics, and then in the summer

and fall look at current numbers and projections, and continue with a series of Housing meetings long term. Ms. McEnroy noted that the Board agreed that a Housing and Instruction committee comprised of all constituents would be convened once the consultant's study is complete.
