Section B - General Communications – The following general communications were presented for the Board's review.

OLD BUSINESS

Mr. Gianino asked if the administration had made any provision to institute a uniform practice regarding how severe allergies are dealt with. Mrs. Cahill responded that she has met with all of the administrators and explained the request from the Board that we have a uniform practice. We are in the process of putting together one standard uniform practice for the district regarding EpiPens.

Mr. Rossi asked for an update regarding the district's health insurance plan. Ms. Niles responded that the person who is examining the plan had requested one additional report and then would be forwarding a final analysis. The District needs the comparison in order to make an informed financial decision.

Mr. Rossi asked where the District is in regard to getting a grant for an electronic sign similar to the one in the Hauppauge School District. Mrs. Elias said that she would follow up on the request with Mr. Fitzpatrick.

COMMITTEE REPORTS –

Facilities Committee – Mrs. Waldron asked if the District had received clarification regarding \$3.7 million in Excel funds that were supposed to be given to the District. She suggested that this being an election year the Board should write to the legislators to see if they could find out how the District could get this Excel money that has been on the books since last May. Ms. Niles responded that the Business officials have been told that you can use the Excel money as the District's share of a bond project. The Excel funds are supposed to come from the Dormitory Authority. The Dormitory Authority will not borrow money until they know which projects districts are applying for. They have not told us whether the reimbursement will be in the current year, the following year, or five years down the line because the Dormitory Authority has to borrow this money in order to make the reimbursement. Ms. Niles agreed that letters should be written to your senators and representatives. Mr. Schroeder suggested that a personal visit should be made to these politicians. Mrs. Waldron added that this item should be addressed at the NY State School Boards Convention in October.

SUPERINTENDENT'S REPORT

Updates – The Superintendent brought the Board up-to-date on the following items:

- Smithtown's schools had a smooth opening last week as we welcomed almost 10,900 students in grades K-12 to the 2006-2007 school year. A "Welcome Back" video that had been shown on Superintendent's Conference day was shown to the Board and audience.

- Internet Safety is a subject that our schools are tackling this year. Various assemblies and programs are planned. For example, Detective Doug Forrestal and Cablevision visited Mount Pleasant today and met with third, fourth and fifth grade students. A “netiquette” brochure developed at Nesaquake Middle School, was discussed at its faculty meeting this afternoon.
- The three middle schools welcomed new students with special orientation programs before school started. Students had the opportunity to meet with their teams and teachers, and get tours of their buildings.
- Smithtown High School East Senior Kristin Hall has been selected to be a member of Congressman Tim Bishop’s Student Advisory Council. The council meets several times a year to discuss key national and international issues.
- On Friday, September 15, students throughout the Smithtown School District will take part in a variety of activities designed to celebrate the United States Constitution. Curricular materials developed by Smithtown teachers will form the basis of many of the day’s lessons.
- Our schools held various ceremonies to commemorate the catastrophe that occurred on September 11, 2001. Students observed the anniversary with moments of silence and reflection, the reading of appropriate poetry, and the singing of patriotic songs. Students honored those who lost their lives as well as the many heroes who rose to the occasion on that day.

Appointment of Hearing Officer – Mrs. Waldron made a motion seconded by Mr. Raustiala that upon recommendation of the Superintendent of Schools, be it RESOLVED, that the Board of Education hereby authorizes the appointment of Mindy Wolman as Hearing Officer in the matter of parental disagreement Case # IHO-165. INSTRUCTIONAL REPORT

Students will depart the morning of October 20, 2006 and return the evening of October 21, 2006. Motion carried.

SECTION C - AUDIENCE – Mrs. Gerien welcomed the members of the audience and called speakers to the podium from the sign-in sheet.

1. Pam Farino questioned a code that was used in transfers. Ms. Niles explained the code.

Mrs. Farino asked if a policy has been written regarding personal leave in the STA contract. Mr. Ehmann responded that the STA and the District got together and created a new form with different guidelines from the previous forms for approval of personal leave.

Mrs. Farino asked if Special Ed. Workshops she read about in the agenda were for parents or the employees. Mrs. Elias responded that they are primarily for the staff.

Mrs. Farino asked that the wording in the "Public Participation" section of the agenda be changed to state that a sign-up sheet will be placed on the table in the hallway rather than at the back of the auditorium as it now states. No decision was made on such a change.

2. Linda Lambrecht expressed her displeasure that the Board did not reconvene publicly to close the previous meeting after their executive session. Mrs. Gerien responded that the Board had not realized that anyone was still in the auditorium and said that in the future she would return to the auditorium after the executive session.
3. Neil Carlin also questioned the way in which the previous meeting was adjourned. Mr. Carlin expressed his displeasure with the school district's website and the lack of timeliness in which it is updated. Mrs. Elias responded that she would communicate to the webmaster Mr. Carlin's request to have the committee meetings listed on the calendar. Mr. Carlin offered to volunteer his time to discuss with the webmaster items that the community would like on the website. Mrs. Elias responded that there is dialogue about redesigning the website and discussions are being held with the principals and secretaries to talk about format. Mrs. Gerien suggested that Mr. Carlin and any other interested parties should email the Board their suggestions relative to the website. Mr. Carlin questioned whether it is policy or an oversight that the Board Bulletin has names in some areas but not in others; such as retirements and tenure. Dr. Ain responded that some time ago all of the names were listed in the Board Bulletin. At some point there was a decision made to respect the privacy of those people regarding terminations or issues that would be of a sensitive nature.
4. Bob Urbancik made a suggestion that the Board meetings be videotaped and placed on the website. Mrs. Gerien thanked Mr. Urbancik for his suggestion.
5. Lisa Zawadzki asked if there is an agenda for the housing committee meeting. She also asked if the rumors she had heard that decisions have already been made regarding elementary school redistricting and the feeder pattern to the high schools are true. Dr. Ain responded that there had been no discussion of that topic. She explained that she had just contacted the housing committee co-chairs to set up a meeting to start reviewing enrollment numbers and projections.

Mr. Rossi made a motion to seconded by Mr. Saggese that the meeting go into Executive Session at 9:02 p.m. to discuss particular personnel. Motion carried.

The Board came out of Executive Session at 10:15 p.m. and indicated that no motions had been made in Executive Session.
